ROSE'S BLANKET

This pattern is a follow on from the mini blocks that Rose designed based on Barbara Mann's 25Years and Counting CAL.
Michael Mann worked the chart as one piece rather than individual squares resulting in this beautiful blanket/ cushion front in the photo, from this we have added a border and have now written out the pattern in full, it doesn't include any colour changes that you see in the photo but this can be achieved by swapping the background colour at appropriate intervals.

Instructions

Note: F and B stitches represent Treble Crochet Chain 1, either front/forward/facing or back/behind/backward, EXCEPT the LAST stitch of every row, in which case NO Chain 1 is added.
Do not confuse "F" as representing Right Side, it means working the stitch in front of the work as it is facing you.
Do not confuse "B" as representing Wrong Side, it means working the stitch in the back of the work as it is facing you.
